TEACHERS

There has been but one change in our teaching force. Mr. Ernest S. Brown succeeded Mr. William W. Wilder as headmaster of the high school. Mr. Brown is a graduate of Brown University and has done post-graduate work at Columbia. He came to us after having had three years experience in teaching at Buxport Seminary, Maine. We were fortunate in securing Mr. Brown for this positon. He is a man of fine character, an excellent student and teacher.

The following table shows the teacher assignment, salary, and present enrollment in each school:

School	Teacher	Salary	Enrollment
Gale: I-II	Editha K. Cowing	\$900	42
III-IV	Helena F. Lacheta	900	40
V-VI	Lenore Roberts	900	41
VII-VIII	Ruth E. Lewis	900	36
High	Ernest S. Brown	1,400	39

	Roselyn Gould	900	
Province Road	Gertrude G. Bartlett	850	17
Plummer	Agnes Hamilton	900	24
			—
		239	

Twenty-three Belmont pupils for whom the district is paying tuition are enrolled in Laconia schools, nine in the high school, six in the junior high, and eight in the elementary grades.

REPORT OF SCHOOL NURSE

No. of examinations	230
No. of pupils underweight, 10% or more	16
No. of defects of teeth	119
No. of defects of nose and throat	14
No. of defects of vision	32
No. of defects of glands	11
No. of defects of hearing	2
No. of orthopedic cases	1
No. of communicable diseases (skin, etc.)	27
No. of corrections of teeth	76
No. of corrections of nose and throat	1
No. of corrections of vision	9

During the last year, 1932-1933, the health supervision and physical examinations of the school children have been carried on as usual, with frequent inspections for the detection of communicable disease.

Forty-five full days were spent by the nurse working in the schools, home visits, clinics and follow-up work.

Clinics held for the school children during the year were, Dental, Toxin-Anti-Toxin, and Tuberculosis. May I say at this time that the Red Cross Chapter in Belmont did a

great deal toward making the Dental Clinic a success.

Respectfully submitted,

RUTH B. WHITCOMB, R. N.

School Nurse

IMPROVEMENTS

During the summer the Gale building was repainted. This was the only large outlay for repairs during the year.

The water pipes at the Gale building have been in a long time and should be relaid. In my report last year I stated the need of re-modeling the Plunimer building. The cost of doing a complete job would be considerable but I am hoping and recommending that some action by the school meeting may make this work possible.

HIGH SCHOOL

The enrollment of our high school continues to grow slowly but steadily. The problem of room becomes yearly more pressing. The work is progressing well under the direction of Mr. Ernest S. Brown, our new headmaster, a fine school spirit is being developed.

It may be of interest to know that in certain tests given last year to all high school seniors in the state our seniors ranked very high.

FINANCES

The apportionment of state aid for Belmont for next year is \$3,565.70. This is about \$700 less than what we received this current year.

The per pupil cost of our elementary schools for the year ending June 30, 1933, was \$57.87. The state median was \$75.89. The per pupil cost of our high school for the same period was \$72.97. The state median was \$102.44.

SUPERVISORY UNION

The State Board of Education found it necessary to

reduce the number of school superintendents, the change becoming effective July 1, 1933. This necessitated the re-organization and enlargement of many of the supervisory unions. Gilmanton was added to the Tilton-Northfield union. This union now comprises Tilton-Northfield, Belmont, Gilford and Gilmanton.

In conclusion I wish to express my appreciation of the assistance and co-operation which has been given me during the year by the members of the school board, the teachers, and many others.

Respectfully submitted,
CHANNING T. SANBORN,
Superintendent of Schools

February 20, 1934.
